

Medical information disclaimer

1. Credit

- 1.1 This document was created using a template from SEQ Legal (<https://seqlegal.com>).

2. No Medical advice

- 2.1 www.talk-aloud.com contains general medical information. Talk aloud does not provide medical advice. It is intended for informational purposes only. It is not a substitute for professional medical advice, diagnosis or treatment. Never ignore professional medical advice in seeking treatment because of something you have read on the Talk aloud's Chatbox. If you think you may have a medical emergency, immediately call your doctor or check out crisis resources present on our website subject to terms of use.
- 2.2 The medical information provided via chat is not advice and should not be treated as such.
- 2.3 Talk aloud admins who will chat at no point claim to have a MBBS degree or diploma for psychological help except a certification of Psychological First Aid from John Hopkins University via Coursera and personal training from fully trained private consultant Dr. Malleka for Crisis Prevention.
- 2.4 Talk aloud only creates awareness among the visitors about their problems, helps them introspect and come up with **their own rational solutions** by asking concrete questions.

3. No warranties

- 3.1 The medical information on our website is provided without any representations or warranties, expressed or implied.
- 3.2 Without limiting the scope of Section 3.1, we do not warrant or represent that the medical information on this website:
 - (a) will be constantly available, or available at all; or
 - (b) is true, accurate, complete, current or non-misleading.

4. Medical assistance

- 4.1 You must not rely on the information on our website/anonymous as an alternative to medical advice from your doctor or other professional healthcare provider.
- 4.2 If you have any specific questions about any medical matter, you should consult your doctor or other professional healthcare provider.
- 4.3 If you think you may be suffering from any medical condition, you should seek immediate medical attention.

4.4 You should never delay seeking medical advice, disregard medical advice or discontinue medical treatment because of information shared on our website or by the anonymous chat.

5. Interactive features

5.1 Our website includes interactive features that allow users to communicate with us.

5.2 You acknowledge that, because of the limited nature of communication through our website's interactive features, any assistance you may receive using any such features is likely to be incomplete and may even be misleading.

5.3 Any assistance you may receive using any of our website's interactive features does not constitute specific advice and, accordingly, should not be relied upon without further independent confirmation.

6. Limits upon exclusions of liability

6.1 Nothing in this disclaimer will:

- (a) take liability for death or personal injury resulting from negligence;
- (b) take liability for fraud or fraudulent misrepresentation;
- (c) limit any liabilities in any way that is not permitted under applicable law; or
- (d) exclude any liabilities that may not be excluded under applicable law.

7. No DOCTOR- PATIENT RELATIONSHIP at any point of time

7.1 Any assistance you may receive using any of our website's interactive features does not claim to create a doctor patient relationship at any point of time. All of it is mere general advice and accordingly, should not be relied upon without further independent confirmation.

Additional Information

The Site Does Not Provide Medical Advice

The contents of the Talk-aloud Site, such as text, graphics, images, and other material contained on the Talk-aloud Site ("Content") are for informational purposes only. **The Content is not intended to be a substitute for professional medical advice, diagnosis, or treatment.** Always seek the advice of your physician or other qualified health provider with any questions you may have regarding a medical condition. Never disregard professional medical advice or delay in seeking it because of something you have read on the Talk-aloud Site!

If you think you may have a medical emergency, call your doctor immediately.

Talk aloud does not recommend or endorse any specific tests, physicians, products, procedures, opinions, or other information that may be mentioned on the Site. Reliance on any information provided by Talk aloud, Talk aloud employees, others appearing on the Site at the invitation of Talk aloud, or other visitors to the Site is solely at your own risk.

Consent

By using our website and its features, you hereby consent to our disclaimer and agree to its terms.
